

## Welcome to Cryptotricity! ■

### Your home, your energy, your rewards.

We are thrilled to have you join our community. By choosing Cryptotricity, you are taking control of your energy bills and helping to build a smarter, greener grid for everyone.

#### Why you're going to love being a member:

- **Automated Savings:** Enjoy a 3% to 15% discount on your monthly electricity bill just for being a loyal member.
- **Real-World Rewards:** Earn \$Tricity tokens that you truly own. Unlike points, these are digital assets you can hold, trade, or use.
- **The Pre-Paid "Lifeline":** On a prepayment meter? Your top-ups now go further, and you have access to emergency credit 24/7 if you ever run out.
- **Greener Living:** Get paid to use energy when the wind is blowing and the sun is shining, reducing the UK's carbon footprint.

#### Getting Started in 3 Easy Steps

1. **Link Your Meter:** Open your dashboard and enter your MPAN/MPRN (found on your bill). This lets us verify your smart meter.
2. **Activate Your Tier:** Use your Xaman wallet to choose your membership tier (Bronze, Silver, or Gold) and stake your tokens.
3. **Sit Back & Save:** Your discount will be applied automatically to your next energy bill or top-up. No paperwork, no hassle.
